

Courts Property Management

DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, required the transfer of responsibility for funding and operation of trial court facilities from all counties to the State of California on behalf of the Judicial Council of California, Administrative Office of the Courts (AOC). In addition, as each transfer occurred, the County and AOC entered into an agreement that defined whether the County or the AOC manages the operations and maintenance of the building. This budget unit is used to manage and account for reimbursements from the AOC for maintenance, utilities, insurance, overhead expenditures and work order request for space occupied by the local court in County-managed facilities. This budget unit is also used to manage and account for payments to the AOC for cost associated with the space occupied by County departments in AOC-managed facilities.
